

Index of Trevithick Society Journals

Volumes 1 - 34, 1973 - 2007

Index to Volume 1: 1973

Edited by John Stengelhofen

Hodge, J.
Richard Trevithick: his place in engineering history; p9

Clinker, C. R.
Bodmin and Wadebridge Railway; p29

Tucker, D. G. and Tucker, M.
Story of Wheal Guskus in the parish of St Hilary; p49

Philbrick, E. M.
Redruth to Penzance turnpike roads; p63

Messenger, M. J.
Liskeard to Looe Canal; p80

Stengelhofen, J. and Stephens, P.
Tin stream works at Tuckingmill; p90

Index to Volume 2: 1974

Edited by John Stengelhofen

Piper, C. P. S.
Short history of the Camborne School of Mines; p9

Thomas, C.
Richard Trevithick: new light on his earliest years and family origins; p45

Hodge, H. R. and Stephens, P.
West of England Bacon Co., Redruth; p55

Thomas, J. G.
Notes on some early blowing and smelting sites in the Carn Brea - St Agnes area; p71

Douch, H. L.
Coosebean Mill; p91

Messenger, M.
Note on an early Cornish canal scheme; p95

Index to Volume 3: 1975

Edited by John Stengelhofen

Hodge, J.

Richard Trevithick: some unpublished contemporary documents; p9

Gale, W. K. V.

Iron in the Cornish industrial revolution; p22

Pennington, R. R.

Cornish beam engine and patent law; p45

Douch, H. L.

Truro's Kidderminster, Brussels and velvet-pile; p57

Stengelhofen, J.

Notes on Cornish industrial literature; p62

Index to Volume 4: 1976

Edited by John Stengelhofen

Harris, T. R.

Hornblower family. Pioneer steam engineers; p7

Stoyle, A.

Brea Adit Works, Camborne; p45

Law, R. J.

Glimpse of the Cornish mineral industry in 1873; p57

Hodge, J.

Richard Trevithick (1735-1797) (senior's) wedding ring; p63

Brooke, J.

Wheal Buller; p65

Index to Volume 5: 1977

Edited by John Stengelhofen

Davies, D. W.

Richard Trevithick in Costa Rica; p7

Harris, T. R.

Some lesser known Cornish engineers; p27

Harris, T. R.

Hornblower family, pioneer engineers; p67

Messenger, M. J.

Early Cornish mineral tramways; p70

Pennington, R. R.
Cornish Metal Company, 1785-1792; p76

Index to Volume 6: 1978

Edited by John Stengelhofen

Harris, T. R.
Cornish Copper Company 1754-1869: copper smelters, merchants, engineers and ironfounders;
p7

Whetter, W. M.
Importance of modern industry to the study of industrial archaeology; p20

Michell, F. B.
Ore dressing in Cornwall 1600-1900; p25

Rowe, J.
Humphry Davy and the Cornish contribution to the industrial revolution; p53

Komatsu, Y. and Tamaoki, M.
Industrial archaeology in Japan; p80

Holmes, L.
Wheal Owles disaster; p82

Messenger, M. J.
Liskeard to Caradon railway; p83

Chesher, V.
Industrial housing in Cornwall; p84

Burke, G.
Members contribution (health and safety in mines); p85

Index to Volume 7: 1979-1980

Edited by John Stengelhofen

Trounson, J. H.
Engineering marvels; p7

Michell, F. B.
Introduction of the plunger pole or force pump; p34

Higgans, J.
Angarrack smelting house: its history; p37

Morton, J.
Cornish Copper Company 1693 to 1697; p57

Tangye, N.
Cornwall newspapers: 18th and 19th centuries; p76

Pennington, R. R.
South Wheal Frances and Wheal Basset boundary litigation; p95

Hodge, J.
Richard Trevithick as the inventor of containerisation for ships; p103

Index to Volume 8: 1981

Edited by John Stengelhofen

Trinnick, G. M. A.
Tregurtha Downs Mines, Marazion, 1700-1965; p7

Lead, P. and Torrens, H.
Introduction of the Trevithick steam engine to North Staffordshire; p26

Burt, R.
Mineral statistics of the UK, the: an analysis of the accuracy of the copper and tin returns for Cornwall and Devon; p31

Tew, D. H.
Man engines in Cornwall; p47

Hodge, J.
Diesel engine development in Penzance
Arthur Freeman Sanders; p54

Hodge, J. (ed.)
Cornish engineering letters relating to Richard Trevithick and others; p58

Hodge, J.
Cornish gauge and J. and F. Pool; p70

Index to Volume 9: 1982

Edited by Richard Acworth

Earl, J.
Trevithick's track (poem); p4

Law, R. J.
Boilers of Richard Trevithick and Arthur Woolf; p9

Torrens, H.
New light on the Hornblower and Winwood compound steam engine; p21

Brown, K.
Prestongrange 70-inch Cornish engine - a myth exploded; p42

Greenhill, B.
Maritime industrial history of Bideford; p52

Shambrook, D.
Devon Great Consols Mining Company; p62

Brooke, J.
Last years of Devon Great Consols; p69

Trounson, J. H.
Cornish stacks and engine houses; p73

Index to Volume 10: 1983

Edited by Richard Acworth

Earl, B.
Arsenic winning and refining methods in the west of England; p9

Schmitz, C.
Cornish mine labour and the Royal Commission of 1864; p30

Ince, L.
Stationary steam engines of the Neath Abbey Iron Company; p46

Peter L. and Torrens, H.
Richard Trevithick, the Heath family and the north Staffordshire connection; p59

Unwin, A. H.
Lower Gweek mill; p70

Index to Volume 11: 1984

Edited by Richard Acworth

Trounson, J. H.
Cornish mining industry in the 19th and 20th centuries; p7

Burt, R. and Wilkie, I.
Manganese mining in the south-west of England; p18

Brown, K.
Incredible O'okiep Copper Mine: its lodes, its railway and its Cornish engines; p41

Williams, G.
History of Giew Mine; p60

Woodrow, A.
Andrew Angwin M. Inst. M. M; p71

Index to Volume 12: 1985

Edited by Richard Acworth

Hodge, J.
Trevithick's heritage; p7

Eyles, J. M.
William Smith, Richard Trevithick and Samuel Homfray: their correspondence on steam engines, 1804-1806; p10

Stannier, P.
Granite working in the Cheesewring district of Bodmin Moor, Cornwall; p36

Douglas, J. N.
Building of the Wolf Rock lighthouse; p51

Brown, K.
Burra Burra: the mine that was too rich? p61

Trounson, J. H.
"Boy who worked up mine" p73

Shambrook, R.
Miners' welfare; p75

Edmonds, E.
Great Dowgas Mine, St Stephen; p78

Index to Volume 13: 1986

Edited by Richard Acworth

Stannier, P.
John Freeman and the Cornish granite industry, 1840-1965; p7

Newall, E.
Interpreting the Cornish copper standard; p36

Earl, B.
New look at west of England industrial archaeology; p46

Janetschek, H. O.
First Trevithick engine in the Austro-Hungarian Empire; p60

Pedlar, N.
Trevithick connection in Japan; p69

Torrens, H. S.
Contemporary note on Trevithick's Camborne road loco; p77

Williams, G.
Bal Du Mine or West Wheal Reeth; p80

Index to Volume 14: 1987

Edited by Richard Acworth

Gerrard, S.
Stream working in medieval Cornwall; p7

Stannier, P.
Early mining and water power in the Caradon mining district of East Cornwall; p32

Unwin, A. H.
Gearing systems in Cornish grist mills; p46

Brooke, J.
Wheal Vor and the Gundry bankruptcies; p67

Bird, E.
Effects of quarry waste disposal on beaches on the Lizard peninsula; p83

Stannier, P.
John Freeman and the Cornish granite industry: addendum; p93

Index to Volume 15: 1988

Edited by Richard Acworth

Bullen, L. J.
John H. Trounson, MBE (Obituary); p2

Burt, R.
Arsenic: its significance for the survival of south western metal mining in the late 19th and early 20th centuries; p5

Miller, L.
Wedgwood in Cornwall; p27

Earl, B. and Tylecote, R. F.
East Cornwall lead-silver smelter at Wheal Langford, Callington (SX 386 690); p36

Pearson, A.
Coal gas industry at Falmouth 1819-1866; p43

Connell, J. E.
Wallaroo and Moonta Mines and their engines; p53

Morris, W. A.
Ding Dong Mining Syndicate 1911-1925; p68

Williams, G.
Tindene Mine; p75

Shambrook, R.
John Taylor and Anne Rowe Pring - later Mrs John Taylor; p82

Index to Volume 16: 1989

Edited by Richard Acworth

Buckley, J. A.
Great County Adit: a model of co-operation; p2

Muller, F. and Rosier, C. J. P. (translated by Verbruggen, J. A.)
Haarlemmermeer steam engines; p23

Unwin, A. H.
Cornish windmill; p35

Williams, G.
West Godolphin Mine; p50

Brown, K.
Notes of a collier's visit to a Cornish copper mine (1864); p67

Cooke, M. H.
Travels of a Cornish engine; p74

Cooke, M.
William West on the Austen 80" p79

Index to Volume 17: 1990

Edited by Richard Acworth

Watton, J.
History of underground photography in Cornwall; p2

Flinn, D.
Richard Trevithick, Arthur Woolf and the Shetland Mining Company; p23

Williams, G.
Tregembo Mine; p31

Brooke, J.
First investment trust; p48

Brown, K.
Cornish engine: fact and fiction; p53

Buckley, A. and Earl, B.
Preliminary report on the tin and iron working site at Crift Farm; p66

Index to Volume 18: 1991

Edited by Richard Acworth

Short, C. C.
Migration, Methodism and mining in the north; p2

Stokes, P.
Crofton and the K & A Canal. The application of mid 19th century Cornish technology and the James Sims compound engine; p29

Brown, K.
New light on Austen's 80; p66

Sharpe, A.
Survey of the winding and pumping plant at Trethowel clayworks; p85

Tonkin, J.
Account of Trethowel China Clay Works; p91

Buckley, A.
Levant Mine manager's letter book; p108

Acworth, R.
Anthracite seams of north Devon; p117

Owen, J.
Alternative form of guided transport on the Yorkshire Coast; p126

Index to Volume 19: 1992

Edited by Allen Buckley

Greeves, T.
Adventures with fiery dragons: the Cornish tinner in Devon from the 15th to the 20th century; p2

Stannier, P.
Granite quarry cranes of Cornwall and Devon: vanishing industrial archaeology; p18

Burt, R.
Cornish company records in the Guild Hall library, City of London; p32

Carter, C.
Long career of the 'Rolling Reggie'; p44

Williams, G.
Decline of Great Work and the formation of Wheal Reeth Tin Ltd; p55

Index to Volume 20: 1993

Edited by Allen Buckley

Carter, C.
Boring machine: introduction of compressed air powered rock drills into the Camborne mines; p2

Birchall, F. and Birchall, M.
Virgin Gorda Copper Mine: British Virgin Islands; p23

Buckley, A. and Sharpe, A.
Discoveries at Dolcoath Mine; p35

Greeves, T.
Good life: the Westcountry tinner AD c.1500-c.1700; p39

McDonnell, G.
Further investigations at Crift Farm, Lanlivery; p48

Brooke, J.
Not as a general rule; p51

Smith, W. D. F.
Bronze Age copper smelting in north Wales; p55

Williams, G.
Polrose Mine; p58

Index to Volume 21: 1994

Edited by Allen Buckley

Tonkin, J.
Belowda Beacon clayworkings - two forgotten pits; p2

Brown, K.
Halfway round the world and back: the most travelled Cornish pumping engine? p22

Howard, B.
Vice-warden and the Truro files; p33

Brooke, J.
Wheal Hermon, St Just 1560-1976; p39

Williams, G.
Parbola Mine; p44

French, C.
Opinion: Threat to historic tin streams and mine sites; p61

Index to Volume 22: 1995

Edited by Allen Buckley

Unwin, A. H.
Twenty-fifth anniversary of the Trevithick Society: the happy wanderer; p2

Rowe, C.
Drawings of Levant whim: part 1: original parts; p8

Carter, C.
Tregaseal River; p28

Hoan, A., Loney, H. and McDonnell, G.
Crift Farm project: second interim report, December 1994; p50

Williams, G.
Georgia Consols; p58

Dixon, D.
Richards family of Tavistock and Mary Tavy; p67

Index to Volume 23: 1996

Edited by Allen Buckley

Rowe, C.
Drawings of the Levant whim: part 2: cylinder, valves and condenser; p3

Smith, D.
Bronze Age mining in north Wales; p43

Williams, G.
Ding Dong: its origin and early working; p45

Brooke, J.
Wheal Fortune in Ludgvan; p63

Joseph, P.
After the fire: the industrial archaeology of the Botallack cliffs; p68

Messsenger, M.
St Germans quay tramway; p83

Index to Volume 24: 1997

Edited by Allen Buckley

Rowe, C.
Drawings of the Levant whim: part 3: further drawings and a list of changes during restoration; p3

Joseph, P.
St Just United Mine 1862-1866; p21

Hills, R. L.
James Watt in Cornwall; p46

Williams, G.
Ding Dong: the 19th century and beyond; p61

Buckley, A.
Who were the tanners? A study of early Tudor tin workers; p96

Index to Volume 25: 1998

Edited by Allen Buckley

Williams, G.
Before the flood: the story of Drift Dam; p3

Smith-Grogan, G.
Rutways and stone tramroads; p24

Ferguson, J.
Cornish iron foundries and allied works; p33

Carter, C.
Early engineers around Camborne; p52

Joseph, P.
Boscawell United Merton Furnace; p65

Index to Volume 26: 1999

Edited by Allen Buckley

Fairhurst, A.

Mining the sea: the extraction of bromine from sea water at Hayle; p3

Howard, B.

Duty on coal; p30

Earl, B.

The Cornish vanning shovel; p36

Edmonds, E.

Mines around St Agnes: West Kitty, Wheal Kitty & Penhalls and Polberro; p43

Joseph, P.

East Bosorne Mine; p51

Williams, G.

Great Western Mines; p59

Buckley, A.

Historical evidence of alluvial tin streaming in the river valleys of Camborne, Illogan & Redruth; p88

Index to Volume 27: 2000

Edited by Allen Buckley

Hodge, J.

Severn Tunnel Pumping Engines; p4

Newby, B.

St Michael's Mount Tramway; p18

Joseph, P.

Chaos on the Cliffs: A History of Morvah Consols Mine; p25

Webber, R.

Insight into the Workings of the Chipping Department of Harvey's Foundry 1851-1856; p70

Williams, G.

Giew Mine Revisited; p83

Index to Volume 28: 2001

Edited by Allen Buckley

Schwartz, S.

Exporting the industrial revolution: Trevithick and the migration of British steam engineering technology to Latin America; p3

Carter, C.

Holman Brothers at war: the Holman Projector; p13

Hoskin, P.
Richard Trevithick's 1801 road loco & its 2001 replica; p24

Sampson, K.
Benjamin Sampson 1770-1840; p31

Joseph, P.
Durfold China Clay Works, Bodmin: its history, interpretation and regeneration; p37

Stokes, P.
West Country and London in the evolution of steam power; p68

Index to Volume 29: 2002

Edited by Allen Buckley

Edmonds, E. W. A.
Camborne and Redruth tramway; p3

Williams, G.
St Ives Consols; p48

Neill, A.
Carn Galver and Morvah Hill Mines; p77

Fairhurst, A.
Mining the sea: a race against time; p96

Earl, B.
Prehistory of West of England mining and metallurgy; p109

Unwin, A. H.
Some early watermill techniques; p113

Howard, B.
Was the bushel 84lbs or 96lbs? p123

Brooke, J.
Smelters' marks; p129

Index to Volume 30: 2003

Edited by Allen Buckley

Edmonds, E. W. A.
Alluvial dredging in Cornwall; p3

Stokes, P.
Trevithick's later concepts and patents; 'dreams', and their persistence to realisation; p43

Joseph, P.
Tin dressing sites in the Cot Valley, St Just; p54

Williams, G.
Drift Valley - its mines, bounds and stream works; p74

Foster, D.
Architectural peculiarities of some engine houses and mine stacks in Cornwall; p91

Brooke, J.
Henric Kalmeter - depth of mines (1724-25); p98

Howard, B.
Mr Lean and the Engine Reports; p103

Carter, C.
The 'Cornubia' and the Hayle packet service: a Cornish Confederate; p105

Index to Volume 31: 2004

Edited by Allen Buckley

Edmonds, E. W. A.
The Lizard goes electric; p3

Joseph, P.
Electricity and tin: the rise and fall of Cornish Consolidated Tin Mines Limited; p30

Howard, B.
How accurate was duty? p43

Lewis, J.
Captain William Davey of Redruth and the reopening of the Consolidated Mines in 1819; p49

Fairhurst, A.
A natural solution. Abstraction of water from Loggans Stream, Hayle; p58

Webber, R.
'Harvey's infamous 144 inch cylinder casting, a photograph that set me thinking' p66

Walter, N.
Kelly Mine; p87

Isham, K.
Lime kilns and limeburners in Cornwall: an update; p94

Short, C. C.
Richard Bennetts' engineer's pocket-book 1857; p98

Index to Volume 32: 2005

Edited by Owen Baker

Brough, P.
The archive of Thomas Wilson
Boulton and Watt's agent in Cornwall; p3

Watts-Russell, P.
A "copper revolution" cut short
The Cornish Metal Co. (1785-1792); p10

Joseph, P.
Wheal Augusta, St Just-In-Penwith; p55

Williams, G
Nancegollan Mine; p71

Corin, J.
Newlyn deep down; p80

Edmonds, E.
Tresavean Mine, Lanner; p84

Perry, R. and Thurlow, C.
Health & safety in the claypits 1890-1914; p102

Isham, K.
Lime kilns & limeburners in Cornwall
A second update; p106

Index to Volume 33: 2006

Edited by Owen Baker

Joseph, P.
Redruth Brewery; p3

Webber, R.
Tin workings for tin in the St Erth Valley from 1750 to the present time; p61

Thurlow, C. and Perry, R.
Technological change in the Victorian china clay industry; p72

Williams, G.
Polcrebo Mine; p77

Lewis, J.
Pamphlet wars: sett renewals at Tincroft and the Consolidated Mines; p89

Edmonds, E.
Falmouth Consolidated Tin Mines Ltd. Wheal Jane, Kea and Baldhu, Truro; p101

Index to Volume 34: 2007

Edited by Owen Baker

Joseph, P.
The Foundry Road industrial estate, Camborne; p3

Fairhurst, A.
Torrey Canyon, memories and reflections; p33

Williams, G.
Trevega Bal/Brea Consols; p37

Joseph, P. and Buckley, A.

The collapse of the East Pool headgear, Tuesday 15th September 1953: as recorded by J. H. Trounson; p48

Ferguson, J.

Foundry history underfoot: more light on Cornish foundries and related works; p64

Webber, R.

The source of moulding sands used by Cornish foundries and in 18th and 19th centuries; p100
